

JANUARY 31, 2019 - SAVE THE DATE!!!

Attention all Whippet Fanciers!

The AZWA Winter Specialty will be held here in Phoenix, and this exciting show marks the beginning of the amazing Heart of the Desert Cluster. This is an awesome 5 day show weekend with a Supported Entry the next day, and great judges who always draw majors for us.

There's plenty of close parking and all of these shows are indoors at the Coliseum! There are lots of vendors, our special annual Raffle, a tableful of yummy snacks & sweets available to all exhibitors, and wonderful Trophies to be won with your beautiful whippets! For the first time ever, the Cluster is offering an Owner Handled Best In Show competition too, so this is an added element of fun & excitement where the winner of our breed will compete with the winners of other breeds who are also holding their Specialties that day!

We're fortunate and honored to have both Kathy Davenport (Kamada) as our esteemed Specialty breeder/judge and Kathy Thomas (Watch Me) as our Sweeps judge! Nicholas Frost is judging the Supported Entry on February 1st and Curtis Freeling is judging Sweeps. Whippet judges for the rest of the weekend through Monday February 4th, are Molly Martin, Luis Sosa, and Michael Lanctot.

Our AZWA Specialty is always a fun-filled day, so do come join us! Stay for the entire weekend and experience camaraderie with other whippet folks and enjoy the shows!

Onofrio is the Show Superintendent and the closing date for entries is January 16, 2019.

I hope to see you there!
